

December 6, 2021

**To the Committee of the Society of Clinical Trials Thomas C. Chalmers Student Scholarship**

The purpose of this letter is to confirm that Evan Kwiatkowski, PhD, has been as of November 1 2021, employed as post-doctoral fellow at the Department of Statistics, funded by an NCI T32 grant, of which I am a Principal Investigator.

Sincerely

Marek Kimmel, Ph.D., Sc.D., FASA  
Associate Chair, Department of Statistics, Rice University  
Professor of Statistics and Bioengineering, Rice University  
Professor of Biostatistics (adjunct), MD Anderson Cancer Center  
Co-Director, Rice – MD Anderson Program in Biostatistics  
Steering Committee, Rice University Program in Systems, Synthetic and Physical Biology
